

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT FILING OF)	CASE NO.
WEST SHELBY WATER DISTRICT)	2017-00210

ORDER

On May 22, 2017, West Shelby Water District (“West Shelby”) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure.¹

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. West Shelby purchases water from the Shelbyville Municipal Water & Sewer Commission (“Shelbyville”) and the Louisville Water Company (“Louisville”).

2. Louisville notified West Shelby that, effective July 1, 2017, its volumetric wholesale rate to West Shelby will increase from \$2.20 per 1,000 gallons to \$2.25 per 1,000 gallons, and the monthly service charge to West Shelby will increase from \$498.75 to \$513.00. West Shelby proposes to increase the water rates to its customers effective July 15, 2017, to reflect the increased cost of purchased water.

3. West Shelby proposes a purchased water adjustment factor of \$0.05 per 1,000 gallons.

4. During the 12 months ended April 30, 2017, West Shelby purchased 214,505,000 gallons of water from Louisville and 70,429,600 gallons of water from Shelbyville. During the same period, West Shelby sold 260,036,100 gallons of water.

¹ KRS 278.015; 807 KAR 5:068.

The increase in the cost of purchased water is \$10,896.25, resulting in a purchased water adjustment factor of \$0.05 per 1,000 gallons.

5. The purchased water adjustment factor of \$0.05 per 1,000 gallons, as calculated in Appendix A to this Order, is fair, just and reasonable and should be approved.

6. West Shelby's rates proposed in the application should be approved.

7. The rates as set forth in Appendix B to this Order are fair, just, and reasonable and should be approved for water service rendered by West Shelby on and after July 15, 2017.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment factor of \$0.05 per 1,000 gallons is approved.

2. The rates as set forth in Appendix B to this Order are approved for water service rendered by West Shelby on and after July 15, 2017.

3. Within 20 days of the date of this Order, West Shelby shall file with the Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets showing the rates approved herein.

By the Commission

ATTEST:

Executive Director
